ENTERTAINMENT

In behalf of all Shoreham Mrs. John R. Bates, chairman of the Entertainment Committee, wishes to express her thanks and appreciation to Mrs. Gilbert Frei for the magnificent Minstrel Show she wrote, directed and produced for the pleasure and entertainment of the members and guests of the Shoreham Country Club last Saturday night. In the opinion of many old residents it is the best show Shoreham has ever had. Our Mayor, Mr. S. A. DuGret spoke for many of us when he commended that an amateur show is good indeed when the audience regrets it is over. Mrs. Frei put a great deal of work and talent into the show, and Shoreham is deeply grateful to her. We wish also to thank Miss Violet Stubenbord for the artistic set which she both designed and made. Mr. Wesley Oliver contributed greatly to the evening's entertainment with the arrangements and direction of the musical part of the show. Acknowledgement is hereby made to Horace for his accompanying at rehearsals and the performance, and to the orchestra, and to Mr. G. E. Beatty, stage manager, and Mr. Fred-eric Van Arnham in charge of lighting.

We want to thank all the cast for their part and to express our appreciation to Miss Westbrook for the very lovely violin solos she performed for us.

THEATRE

WEDNESDAY NIGHT DANCE

Last Wednesday the childrens dance was held as usual with Mrs. Laurecot acting as hostess. Miss Jantzer held her regular 7:30 to 8:30 dancing class after which refreshments were served and games were played. The winners were as follows: The Candy Hunt was won by Master James Brandon.

The boy's team won the Ping Pong Straw Game and Going To Jeruesleum was again won by Master James Brandon. After the games were completed the younger children were asked to leave and Miss Jantzer held her 9:00 to 10:00 dancing class for the older children.

An enjoyable time was had by all the children. Next week there is a masquerade with Mrs. Sarkany in charge. Due to this it would be impossible for Miss Jantzer to hold her dancing classes next Wednesday, an arrangement has been made whereby the classes will be held on Thursday, August 22nd. instead of Wednesday at the Shoreham Country Club. All the children are requested to wear costumes.

RED CROSS

The proceeds of the Second Neighborhood Flower Show, which was sponsored by the Belle Terre, Suwassett, and Shoreham Garden Clubs, will amount to over 75 dollars. This amount will be turned over to the Port Jefferson Branch of the Red Cross to be used for their chapter work.

The Shoreham Red Cross work room has already returned 264 finished articles this summer. Also four sweaters & six pairs of socks have been returned while a dozen knitted articles are fast nearing completion by Shorehamites.

With some of the money which we turned over to the Port Jefferson Chapter, the chairman there has been able to purchase materials for layettes which in turn they have asked us to complete. With only a few more meetings we will need the cooperation and help of all the Shoreham Red Cross Workers to finish this assignment. The meetings will be held as usual on Tuesday mornings at the Shoreham Country Club at 9:30 A.M.

CARD PARTY

Come one come all to the annual Card Party held at the Shoreham Country Club this Friday, August 23rd. Play bridge, bingo or poker. Under the splendid supervision of Mrs. John R. Brandon and Mrs. J.L. Hogeboom this event is expected to be one of the most enjoyed of the season.

There will be beer served. The regular admission fee of one dollar will be charged.

HORTICULTURE

It is not too late to plant Iris, Minitures for Apr. many are Fall blooming, Tall bearded and Siberian for late May through June, Aristocrats for early May, Japanese for July, Dichotoma for August. Autumn Flowering tall bearded varieties for all through Fall.

Visit the nurseries to see the August and September blooming lilies. Try especially to visit Paradou, the Scheepers display garden on route 35A at Brookville. A call at Paradou and luncheon at the Old Mill in Roslyn make a delightful and profitable garden pilgrimage - if extended to Gardens on Parade at the Fair, a most satisfactory day.

Look at the late blooming varieties of Hemerocallis or Day Lilies and the new varieties of Althea, or Rose of Sharon at the nurseries.

It is time for evergreen moving, so any contemplated changes are best made at this season, the earlier, the better. Transplants need faithful watering to get a good start for the winter and that can best be done before starting back to town. Two weeks of personal supervision will mean much more than the casual watering that is apt to result when left to someone other than the owner of the plant. Water needs to go on by the pailful.
