Garden Club Pushes Plans For Big Party

Committees Announced Fashion Show as Well as Beauty Contest Planned

Shoreham's Garden Club has set the date of July 16 for its garden party. The party is to be held in the garden of Mrs. Callender in the Shoreham estates. Shorehamites will remember the garden party that was held at the Sacketts some years ago and need no further reminder to tell them what the general idea of this coming garden party is to be like.

The committees for this garden party have been announced and are as follows: General chairman, Mrs. A. J. Sackett; entertainment, Mrs. T. K. Elliott, Mrs. Callender; flower table, Mrs. Todd, Mrs. Stevens; candy, Peggy Elliott; refreshments and waitresses, Mrs. Oliver, Mrs. Zenke, Mrs. William Rudolph, jr., Mrs. Hogeboom; games, Mr. Warden, Mr. Zenke, Mr. Koch, Mr. McGahan; mint juleps, Mr. Varian, Mr. Lewis, Mr. Van Arnam; gate, Mrs. Beckwith, Mrs. William Rudolph, sr., Mrs. Strousberger and Mrs. Haslett; publicity, Mrs. McGahan; properties, Mrs. Van Arnam, Mrs. Koch and Mrs. Kohlman; mint julep properties, Mrs. Varian, Mrs. Acosta and Mrs. Lewis; staging, Mrs. Warden; fancy articles, Mrs. Davis, Mrs. Raymond and Mrs. Gridley; orchestra, Mrs. Koch; posters, Gladys Koch and Peggy Elliott; arrows, Mrs. Robinson; tickets, Mrs. McGahan and Bill Van Arnam; raffles, Mrs. Hunsicker and Mrs. DuCret; announcements, Mr. Waters, Mr. Bailey and Mr. Elliott. Mrs. Sackett requests that the chairmen of all committees meet with her at her home on Tuesday, July 12 at 11 o'clock in the morning.

The entertainment committee has made several plans for the party. According to the committee, Mrs. June Elvidge Bush will give a fashion show, using Shoreham girls as models and with "Chapel" gowns from the shop at 423 Park avenue. The gowns will be for sale and a percentage from the sale will go to the Garden Club. Also on the program there will be a bathing beauty contest. The winner will be declared Miss Shoreham 1938 and prizes will also be awarded. The beauties will be judged by outside judges who do not know the girls. There will also be clowns stunting and otherwise showing off. Other attractions which have already been announced are a fortune teller and a game of bingo.

Wading River Wins Over Shoreham 4-3 In Annual Game

Pallister and Barnhart Batteries for Shoreham

The Shoreham baseball season was officially opened this past weekend when the Wading River crack ball twirlers made the three mile journey to Shoreham and returned home with a four to three victory under their belts. It was almost a fielder's game from the beginning to the end with most of the outs being made by catching flies in the field. Batteries for the game were; for the mighty men of Shoreham, Pallister with Barnhart behind the plate and for the victorious Wading Riverites Bachman with Bud Heatley catching. Bud Heatley talked a wonderful game for it was his continuous yelling from behind the plate that must have spelled the doom of more than one Shoreham batter.

In the first inning it looked as if it was going to be a good day for the Shorehamites for when they stepped to bat for the first time Anthony and Kohlman made the first outs but Frei came through with a single and was brought home by a long hit by Dave Pallister to center field. This made the first score for the game, putting the Shorehamites ahead for the first inning. The Shoreham lead was short lived for Wading River came along in the second inning with what looked like a field day. With bases loaded for the Wading River team Bud Heatley hit a ball in the bushes bringing in two runs. A third run came in and Heatley was trying to make it a fourth when he was put out at the plate. The

(Continued on Page 4)

NEW SHOREHAMITES

Shorehamites always want to know who the new people in Shoreham are and where they are staying. Mr. Beckwith is in a position to know all these people so a Sounder reporter went to see Mr. Beckwith and here is a list of the new people.

Mr. and Mrs. Crane have taken the house in back of the Acosta's. Mrs. Telfer is in the house between the Oliver's and the Walsh's. Mrs. Zagat is in the Wilkins' cottage on Valentine road. Mr. Rand has taken the house behind the Beckwith's. Mrs. W. E. Rudolph has one of the cottages between Oliver's and Hearts Ease, where the Sloans are, and Mr. and Mrs. John Burns have the other cottage. Mr. and Mrs. Lorencot and five children are in the Hagenauh house. Mr. and Mrs. John Brandon are in the Eddy house. And Ivy Stevens is to be found in the house that is somewhere between Frei's and Haslett's.

JUST A DREAMER AM I

Jack Kohlman had been threatened by several of Shoreham's small boys during the week before the Fourth. The threats were that the boys would use firecrackers to get him out of bed in the wee small hours of the morning. This so filled Jack's mind that in the night he had a very real dream. In Jack's own words:

"I dreamed that my bed was by the window and that firecrackers were thrown in the window and burned all the covers off the bed. Still in my dream I went to the window with a gun and shot the boys as they crossed the lawn. The dream was so real that in the morning I looked carefully out the window to see if there were any bodies on the lawn."

All Enjoy Dancing Classes Conducted

By Miss Jantzer

Miss Evelyn Jantzer conducted her first dancing class of the season at the Shoreham Country Club Wednesday night. There were twenty-one children who attended the early class at which most of the time was spent learning the shag. It is the consensus of the opinion of those who were looking on, that these classes will be of great value to the younger generation of Shoreham. Miss Jantzer proved her ability at handling the children and at the same time her ability as their teacher. There was no fooling around such as there had been in the past.

Later in the evening Miss Jantzer held a class for the older young people at which she taught the rumba and the shag. For this class next week there will also be some tap dancing. The next morning there was a class for young children under six.

There is room for a few more children in any of these classes, and anyone interested in knowing more about the classes should see Mrs. Alfred Varian.

The first class next Wednesday night will begin at 7:30 o'clock instead of 8 o'clock as it did last week.

NEW BABIES IN SHOREHAM

Among the new arrivals at Shoreham this season are four new babies. These babies which swell the ranks of Shoreham's third generation are: Lawrence Gheen Hunsicker, son of Mr. and Mrs. John Quincy Hunsicker III; James Webster Finn, son of Dr. and Mrs. Frederic Wall Finn; Dewitt Bailey Hagenah, son of Mr. and Mrs. William H. Hagenah, and Marie Bernadette Burns, daughter of Mr. and Mrs. John Burns. Mrs. Burns is the former Bertha Steffins.

11 Men in Band Lead Parade to Baseball Field

Single Men Victors In Ball Game by Large Score of 16 to 5

With Fourth of July celebrations all over the country Shoreham did its best to put on a celebration that would overshadow even the most elaborate affair held in other parts of the nation. At least it was the best Fourth of July in Shoreham for many years. Alfred Varian collected people for the parade early in the morning when he drove through the streets, megaphone in hand, with his bugler by his side telling everyone that events of the day were soon to get under way, by calling "All out for the big parade."

An unusual number of children collected in front of the first golf tee where they received hats and horns for their long march to the ball field. Cars arrived forming a line that filled the street for the first block or more. At about 10:30 all was ready and the great annual parade started.

Along the first part of the parade came a bicycle brigade which this year was composed entirely of girls. There were over thirty cars following the line of children; cars ranging from the Hughes' model T with a mop hung out one side and the flag of the Imperial German Navy hanging out the other side to the mayor's big Packard.

When the parade left the golf course all was there except the band and people were wondering where it was. However, the band soon caught up with the line of march and made up for its former absence. For instead of the usual few pieces which had in other years made up the band, there were 11 men in all. The boys in the band nearly all were dressed in some crazy fashion. Wes Oliver set the pace for style with a very fancy white uniform complete to snappy looking white gloves. Gordon Bartle had a long multi-colored dress-like affair that looked like an old set of curtains. Bob Oliver looked like the morning after in his turban and pantaloons. But the prize of them all was base drummer George Beatty, with a Scotch cap, red cape, high boots and red ping pong paddle. He put on a swell show playing his drum like a professional. On the side of the drum was a sign saying "Shoreham Band" in big red letters. Others in the band were Junior Pallister, funny man Otto Hagenah, Buddy Sherman, Bob Hughes, Rene Laurecot, Ed

TO THE GARDEN CLUB

There have been several things brought to the attention of the editor that he would like to pass on to the Garden Club in particular and all of Shoreham in general. In the past the Garden Club has done so much in making Shoreham a more beautiful place to live in that when unsightly things are noticed it seems only natural to put these up to the Garden Club members and let them see what they can do in the way of remedying them up. The Oval and Triangle have long been an example of what the Garden Club is able to do when it sets about doing something. And more recently we have seen the ability of this club in the landscaping in front of the Shoreham Country Club.

While on the subject of the Oval and Triangle, it was pointed out (to the editor) by someone who knows what he is talking about that the Triangle could use a little fertilizer during the winter. Another thing—will every member of the Garden Club and other Shorehamites please drive their cars over the continuation of Woodville road at the east end of the Triangle and talk it over and see what can be done about it. As the Triangle is a Garden Club project, it seems that they should finish the project by having good roads on all three sides of the triangle.

Another thing that gives Shoreham a black eye is the Shoreham station. To the few people who might still use that station—and there are a few—and for the general beauty here at Shoreham it seems that something should be done about the station. The Garden Club might get the railroad to do something if they sent them a few letters, but if this cannot be done the club should get permission to do it themselves. If the proposition were handled right it could be done at the minimum of expense, it would give work to men that need it, and no more visitors upon arriving at the station would wonder what kind of a hole Shoreham was.

While thinking of the Shoreham station the editor is reminded of the day that he watched a train pass through the station. Long Island Railroad please take note. There is a rail joint under which the tie has rotted away. Every time a wheel of the train went over this joint it sank down two inches. Three of the engine wheels went over this joint and four wheels of each of the ten cars went over it. Forty-three times that joint moved up and down. How much longer can the joint stand this kind of punishment, maybe for as long as the rails are needed, but the editor is waiting for the day that he can have a first hand account of a train going off the track.

Mosquitoes have long been a part of Shoreham life but the Garden Club can do its part to make these pests less of a bother. First they should recommend that all pools in Shoreham's gardens be properly

treated and cared for so that they are not breeding places for mosquitoes. Some animal life will do a great deal to prevent breeding and every pond can use a few fish. If there are no fish Blue Stone solution in the proper proportions should be added. It is sometimes considered better to use both fish and the solution; in which case, if the solution is in the proper proportion, the fish will not be hurt in any way. The second thing that should be done is to drain or put oil on all stagnant pools of water which are formed by rain.

As it will, no doubt, be said these things do not all directly affect the Garden Club, but it does seem that they are best able to cope with most of these problems, and can be instrumental in getting some action along the right lines.

**SOUNDING OUT
OLD FIELD—STONY BROOK**

By Jackie Smythe

Forty people attended the second Ladies' Day at the Old Field Club on Wednesday, the 6.

Mrs. Carl Heiser had her own party which consisted of four tables.

The entertainment consists of luncheon and bridge, a dollar per person. This will occur the first and third Wednesdays of every month.

The second dance at the Old Field Club which took place on Saturday night, July 2, was extremely successful. A floor show was the big event of the evening. Marjorie Jane an actress from "Babes In Arms" did two dances. The first was acrobatic and was an imitation of an eccentric drunk. The second was a tap dance done while skipping rope. A man and a woman sang a few songs which were followed by a very able magician who pulled dollar bills out of lemons—ever tried it?

Tennis tournaments are soon to begin at our illustrious club. They will be held on Sundays and the first will be July 17, for husbands and wives. The following Sunday will be devoted to parents and offspring, and then the series or should I say "serious" games begin. July 30 will be the regular tournament day and the following week the mixed doubles are to be played. So get out your racquets, you tennis fiends and show us what you've got.

There will be a beach party at the Cabanas at Old Field this Saturday nite the 9th.

Remington Tuthill embarked the morning of the 7th on a ten-day bicycle tour through the New England states. He is taking the trip with a boy whom he met out west last summer on another tour.

The MacLarens have turned patriotic and are engaged in painting their bathhouse red, white and blue.

The Smyths have a new addition to their household. Its color scheme is black, the sound effects sound like a meeu and it may or may not answer to the name of Baby Snooks.

David Coyle of Old Field has gone to Huntington for the summer.

SHOREHAMITES

Mr. and Mrs. Donald Robertson of Westfield, N. J., have been spending the past two months with Mrs. Robertson's mother and father, Mr. and Mrs. Frank E. Beckwith, awaiting the completion of their new home in Westfield, N. J.

Dr. and Mrs. Charles Wonder of East Orange, N. J., have been visiting Mrs. Wonder's sister, Mrs. C. V. Pallister.

Miss Nancy Foster is the guest of Miss Jean Rudolph. Reginald Page and Brooks Carter, who have been visiting Bill Rudolph for the past week, have returned home.

Mr. and Mrs. Arthur Sackett have issued invitations for a cocktail party Saturday at 5 p. m. in honor of Mrs. Sackett's father, Charles Hopkins, who arrived today from Virginia.

Miss Susan B. Miles will celebrate her 8th birthday on Saturday by entertaining 25 of her young friends. Mrs. John Queen of South Orange, N. J., arrives today to spend the week with her daughter, Mrs. Thomas Miles.

Mrs. Harold Fee and daughter, Barbara, of Mt. Vernon, N. Y., have been spending this week with Mrs. Edith Gridley. Mr. Fee is expected for the week-end. Miss Marjorie-Lou Fee, another daughter, is visiting friends in Philadelphia.

Mrs. Gertrude Holman of New York City, arrives today to be the guest of Mrs. Edwins Belnap.

Miss Janet Waters is attending a house party at Mattituck this week-end.

Miss Jean Christy of Jersey City, has been visiting Miss Peggy Brandon.

Mrs. Grover Nulty and children, of Hempstead, are the guests of Mrs. Walsh.

Mrs. Elizabeth Eldridge arrived yesterday to spend the summer at Mrs. Edith P. Gridley's home.

Mr. and Mrs. John Brandon entertained at the Dove and Turtle last Saturday night to celebrate their 13th wedding anniversary. Their guests were Mr. and Mrs. Chester H. Turner, Mr. and Mrs. M. H. Lewis, Mr. and Mrs. C. D. Waters, Dewitt Bailey, Mr. and Mrs. Alfred Varian, Mrs. Harry Emans, Mr. and Mrs. Randell Warden, Mr. and Mrs. Frederick Zenke and Mrs. Edith Gridley.

Mr. and Mrs. Wilson McCarthy, English authors, are spending some time at the Dove and Turtle Inn. Mr. McCarthy writes under the name of Wilson Chamberlain. Other guests at the inn for this week-end are Mr. and Mrs. W. B. Eylet and Mr. and Mrs. Ellinger of New York City, and Walter Walters of New Weston.

**BELKNAPS HAVE
LIVELY SPRING**

The Belknap family have had a very exciting spring. They have seen three accidents to members of their family which have resulted in broken bones.

The first of these happened to Mrs. Belknap's sister, Mrs. Bertha Wehner on May 8, when on the way home from Smithtown she went to close the car door which was partly open and was pulled out on the road. This resulted in a broken foot which necessitated 5 weeks in the Mather Hospital.

Sonny Rowley, the Belknap's grandson, while riding in a rodeo in Reno, Nev., which was being staged for a Hollywood movie concern fell off his horse and broke two toes. His only regret was that he was not able to go out and help finish the rodeo scenes.

Drayton Belknap, the Belknap's son, while making collections for a San Francisco liquor company in Ely, Nev., 330 miles from his home was drugged, robbed and left on a railroad track. Two plainclothes men found him and took him to the police station. He told the police as much as he could remember. He was then taken to the hospital where it was found that he had a broken foot, but broken foot and all, he drove home 330 miles alone.

**SOUNDINGS
AROUND
Port Jefferson, Belle Terre
and Miller Place**

By Irene Chatterton and Frank S. Child, 3d

BELLE TERRE
For the first time in quite a few years the Belle Terre Beach Club had its own fireworks display. Two of the members kindly offered to buy them and there was a great variety of noisemakers. A majority of the people had supper on the beach and towards dark quite a crowd had assembled.

Mrs. Lulu Hopkins is visiting her daughter, Mrs. A. L. Smith for the month of July.

Harvey Pease and Bill Walker were the guests of Miss Irene Chatterton at the beach yesterday.

**SCHEDULE OF DANCES

**SHOREHAM HAS BEST
FOURTH SINCE 1918**

(Continued from Page 1)
Barnhart, and Jim Hogeboom. At the field Bob Brandon joined them with the flag and the entire band paraded on the field to the delight of the spectators.

Mr. Varian, who has taken an active interest in the Shoreham Fourth of July parades for many years said that it was the best parade that Shoreham had seen since 1918, when a fifty-two piece band was brought over from Camp Upton to aid in the celebration.

The ball game which followed between the married men and the single men was quite unique so far as baseball goes. Jack Brandon, after an absence from Shoreham for a number of years returned to his old post of announcer for the traditional classic. Gilbert Frei addressed the single men as they were fixing their line-up and said "I hope none of you men got married last night." Some one questioned whether the single men's ace pitcher, Junior Pallister, was still unmarried but this proved to be a "married men" rooster who was trying to do the single men out of a good player.

With Mr. Oliver as umpire, Mayor Waters threw in the first ball and the game was on. The single men went well into the lead during the first inning. There were no outs when it was found that Davis, Warden and Kohlman were all on base. Davis just didn't quite make home plate and was declared out. Pallister hit a fly ball which made the second out. Frei got on base and Heard brought in two runs when he hit the ball into the bushes. Whiting brought in Frei but Wes Oliver struck out leaving Heard and Whiting to die on base. The married men started to go places in the third inning when Varian got on first and Hunsicker took two bases leaving the way open for Finn to bring in two runs. The single men came right back in the same inning when Whiting brought in Pallister and Wes Oliver brought in Heard. This made the score at the end of the third inning 5 to 2.

In the fourth with bases loaded Kohlman brings in McKinnon and Sedgewick. This was closely followed by two more runs made by Warden and Heard. The sixth inning saw Beatty score for the married men and Kohlman and Frei scoring for the single men. In the seventh inning the single men scored five points making the score 16 to 3 in favor of the single men. The married men scored once in the eighth and once in the ninth, leaving the final score 16 to 5.

In the afternoon the field races were held. For the race between boys and girls under eight the winner was Jimmy Brandon, with second place going to Harry Laurencot. The race for girls from eight to eleven, the first and second places went to Jean Sarkany and Jean Laurencot in the order mentioned. Eddy Barnhart won the race for boys eleven to fifteen with Buddy Sherman second. The race for girls from eleven to sixteen the winner was Barbara Sarkany with Cornelia-Jane Van Arnam second. Frederic Van Arnam and Cornelia-Jane Van Arnam captured the bicycle crowns in their respective races. In the broad jump Frederic Van Arnam had the best jump for boys over thirteen, and Ed Barnhart came first for those under thirteen with Jimmy Brandon second.

The hose contest which was run between two teams for the prize that has for many years been given by Donald Upham was won by a team representing the "Hut". Those on the team were Otto Hagenah, Wes Oliver, Bill Heard, Bob Hughes, Walter Heard and Bill Sedgwick.

Swimming races had been planned for the afternoon and due to the bad weather they were postponed. These races will be held this Sunday afternoon if the weather permits.

There were no fireworks sponsored by either the village or the club this year, but many Shorehamites shot off their own fireworks from the top of Flavel's bluff.

Shoreham
Country
Club

Notes

This Saturday at the regular dance a special number will be given by the Misses Ivy and Bernice Stevens.

The small roller from the tennis court is missing and it would be appreciated if any one who has seen it would report their find to Mr. Sherman or bring the roller back to the tennis court.

Sunday night song services for this season are under the direction of Mrs. John Bates. Albert Barnhart will be in charge of music. Mrs. Geysa Sarkany will play the piano for these meetings. A quartet has been formed under the direction of Mr. Barnhart—Mrs. Gordon Bartle, Mrs. John Bates, Robert Oliver and Mr. Barnhart. The song service this Sunday will be led by T. K. Elliott.

of the game, making the score four to one.

There was no scoring for the next three innings, but the Shorehamites chalked up a double out to their credit in the fourth inning when Heatley hit a fly ball which was caught by Frei who tossed the ball to first putting out the man there. Shoreham started to come back in the seventh inning. Frei got to first, D. Pallister hit the ball into the bushes again and got to second, pushing Frei to third. J. Pallister got to second and Miles got to first but altogether the Shorehamites were only able to get two runs, leaving Wading River ahead four to three. Shoreham tried again to go places in the eighth when with two outs against them they got two men on bases

only to have a fly caught for the third out.

The score remained four to three to the end of the ball game.
